### The Grinch Who Stole Christmas

The Annual Christmas Tree Lighting was a great success! BCAV would like to thank you and all the vendors in helping to make it a success. The park was decorated beautifully by BCAV. Unfortunately, due to vandalism and theft occurring about every night since the lighting, BCAV may not be able to continue decorating as they have and next year's decorations may have to be plain and simple. The Gridley Police Department will be reviewing video surveillance and looking into the vandalism and theft.

### BHS Upcoming Events

BHS basketball and soccer are in full swing. Refer to the high school website and the School Activities Calendar for game locations and times: [www.biggs.org/bhs/](http://www.biggs.org/bhs/).

You can also cut your tree into 3' lengths and place in yard waste containers for collection on your regular yard waste day. Please remove all tinsel and ornaments before recycling your tree.
