INDUSTRIAL DEMAND METERED (SCHEDULE C3)

AUTHORITY: Biggs Municipal Code Section 10.25.060

EFFECTIVE DATE: July 1, 2024

CATEGORY	RATES (PER MONTH)	AMOUNT
Customer Connection Charge	Per Meter - PLUS	\$166.13
Demand Charge	Per kW - PLUS	\$23.483
Energy Charge	First 50,000 kWh - PLUS	\$0.1008
	Over 50,000 kWh	\$0.0783

SPECIFIC CONDITIONS:

1. This Schedule is applicable to commercial, industrial and other non-residential customer having billing demand in excess of 30 kw, alternating current lighting, and at the customer's option, to alternating current for heating, cooking, power or any combination thereof (either single phase or polyphase) along or combined with lighting, provided all polyphase power service to any customer on the same premises shall be supplied through one meter.
2. Service to each of two or more separate areas, but not in the same building, and which do not overlap with the same premises may be individually metered.
